OWLS Customers

Team Development Programs

We are proud to have served over 1,000 organizations and tens of thousands of individual customers in our team building and interdepartmental alignment programs. These programs have involved from five to five hundred participants and succeeded in helping clients achieve a wide array of objectives. Sampling of our customers:

Client Endorsements

"OWLS and their facilitators always deliver their work with a very high level of quality. They worked very hard to become knowledgeable and conversant about my company's values and culture. This allows them to be a real thinking partner when we collaborate on work."
Senior HR Executive
\$25 Billion Agricultural Company

"We would like to thank you so much for the wonderful time. This has been the first retreat we had without any flaws or difficulties. It has been the theme of our conversation for the entire day today! Everything went very smooth and that is thanks to you for your professional service."
Senior Executive
International Finance Institution
